Foreword

Our high school days are filled with cherished memories.

How could we ever forget our parents who have encouraged and enabled us to reach thus far? We shall always remember our teachers and our many dear friends.

With our schooldays coming to their close we pause to look back upon the friends, sorrows and the happiness we have had.

To help remember these special moments we present THE 1962 DILLARDITE.

Superintendent's Message

I wish to congratulate those of you who are about to graduate from Dilliard High School. You will have completed a program of studies and a part of your education. You have gained experiences and knowledge which will help you to continue further study or to endeavor to find a place in the business world. It is my sincere hope that you will become worthy citizens of the community, state and the nation

To those of you who are returning to Dillard High School next year, I urge you, with the assistance of your parents and teachers, to select courses which will best prepare you to be worthy citizens in our democratic society and will bring financial success in your chosen occupation.

Knowledge alone will not result in a full and happy life, it is necessary for each of you to develop an awareness of spiritual values and a strong moral character.

N. H. Shope

Principal's Message

Dear Dillardite Staff and Class:

Allow me to express sincere appreciation and hearty commendations for undertaking such a mammoth project as has been yours in connection with the 1961-62 edition of the DILLARDITE. Long live the memories of your days here! Higher and higher should be your goals and aims because you matriculated here!

What places and what offices will you fill? What contributions will you make? How much better will the world be now that you are closer to adulthood and have successfully completed 12 years of formal education? Graduates with plans for tomorrow must face such challenging and demanding questions as these. My challenges to you shall continue to be these:

That eyes have not seen and ears have not heard all that is in store for Dillard High School if we will strive to work to our maximum and show sincere and dedicated interest in all that we try to do here.

That this is the best school I know because I am doing so much to make it so.

May God's richest blessings and my best wishes remain with you always and in every undertaking.

Affectionately,

John H. Wooten, Sr.

In Memoriam

*Rosa Fort
Wilbert Stevens*

So live, that when thy summons comes to join
The innumerable caravan, which moves
To that mysterious realm where each shall take
His chamber in the silent halls of death,
Thou go not, like the quarry slave at night,
Scourged to his dungeon, but, sustained and soothed
By an unfaltering trust, approach thy grave,
Like one who wraps the drapery of his couch
About him, and lies down to pleasant dreams.

Adieu, Dillard

TUNE: Exodus
Selma Spicer

The day we've sought is now reality!
We proudly praise our Alma Mater Dear.
We face the future faithfully;
And try to do our best, until we've reached success;
To develop courage and seek happiness.

Dear Dillard High, we leave our best to you---
The time has come to say adieu.

We'll strive to show what we can do
As we travel on with memories of Thee.

God bless the ones who helped us through the years---

Our parents, teachers, and our friends.
They gave us faith, the will to win,
And encouraged us to dedicate Our Lives,
To follow through our dreams.

We must go on until our fame is quite serene.
For God hath willed "THIS BE OUR DREAM"!

Rounding Up

the Years

'62

On September 3, 1958, a group of boys and girls assembled in the auditorium to make plans and compile materials for a four-year stay.

Jerry Simmons was elected president of the Freshman class and under his leadership, ability, our class moved forward. Our advisors were Miss A. J. Riggsbee, Miss S. E. Jones, Mrs. C. M. Barnes, Miss V. M. McLean, Mr. R. O. Dowery, Mr. W. P. Siler, and Mr. N. A. Stitt. We were very active our first year. Gloria Swinson won third place as "Miss Homecoming," we also became members of the Student Council and joined other activities. Our principal was Mr. F. G. Shipman. With his help, we were ready to make a step forward.

Our second year at Dillard High School and very proud to be classified as Sophomores, we elected Thomas Lewis as our class president. We were sad to have our principal, Mr. F. G. Shipman leave, but under the principalship of Mr. H. V. Brown, we moved steadily. We had thirteen members on the Honor Society. Having done so well, we took another giant step.

The third year at Dillard High School and feeling very superfluous to be called Juniors, we tried to live up to our name "Sophisticated Juniors." During this year we had many students competing in several activities. Some were successful and some were not, but we showed much leadership. Sandra Grantham placed third in the "Miss Homecoming" exercise. Wesley Joyner placed third in the Omega Talent Hunt, Shirley Sherard won first place in the Oratorical Contest; Blanche Skinner was elected "Miss Varsity." There were thirteen students on the Honor Society and showing much ability to carry on the next year. During that year, Mary Bryant won the U. N. Speaking Contest.

Now Seniors, the class that all Freshman, Sophomores, and Juniors seem to envy and admire; we have pushed upward to the level we now stand. This year we tried to live up to our name "Dignified Seniors." Raymond Swinson was elected president of the Student Council, John King, president of the Senior Class and Cardiner Bowden was elected "Miss Homecoming."

We were very sorry to lose two of our dear classmates during our Senior year; Rosa Ellen Forte, and Wilbert Earl Stevens were fatal victims of automobile accidents.

For some of the seniors, this year will mean an end to formal education; but for still others, this milestone will only open avenues of study.

We are confident that the main concern of the members of the class of '62 will be to help make this present world a better place in which to work and to live.

"BLUE AND GOLD"

Lift happy voices, praises unfold
Hail to the Blue and Gold.
Let songs of gladness rise to the sky
For Dear, old Dillard High
And strive to show, as on we go
Ability and power
To do the right with all our might
Thru every changing hour.
With hope and loyalty and courage
Our lives shall e'er be blest;
And ever for our Alma Mater
We will work; we will do our best.
As on we go, our aim shall grow,
Our cheers will ever cry
To do the right with all our might
For thee, Dear Dillard High.

School Creed

We believe in our school as an institution so organized and carried on as to give boys and girls a triple training that is necessary for a well-rounded life.

We believe firmly in the coordinate training of the head, the heart, and the hand, for though each one is necessary, neither can be of great use alone.

We believe that a life worth living must embody mental satisfaction, industrial pursuits, and a spiritual outlook, therefore, our various subjects and activities have been so planned and selected by us and our elders as to ultimately develop one or more sides of our educational triangle.

We pledge that in all our endeavors we shall strive to grow mentally, physically, and spiritually strong, for we know that only such a triple development can make a real life, and in the final analysis a true American citizen.

*In Appreciation —
Mr. N. A. Stitt*

We the members of the class of "1962" do not feel that our Annual would have been complete without expressing the gratitude that we feel in our hearts for Mr. N. A. Stitt. Mr. Stitt is one of our former advisors who had to leave us this year to undertake a new phase of work. Although he is not one of our advisors, he has worked diligently with us in making our long awaited dreams a reality. He has made many sacrifices to help us whenever we needed him.

Mr. Stitt is very active in a countless number of community activities.

To Mr. Stitt we give our warmest thanks. The Class of 1962 will ever be grateful to you.
